Please tell us why you want to intern for LRR?

Please list your interests, talents, and skills that you think you could use to help LRR:

Please circle answer that best describes you (CIRCLE one)

Like to work with others or as a team

Like to work alone

Like to work either

Would you object to us doing a background check on you? (Circle one)

Yes I would object

No, I don't object, go right ahead

Please circle answer that best describes you (please CHECK one)

I like to lead, come up with new ideas, implement new things, be in the spot light, have a fast moving pace

I like to work behind the scenes, support team efforts, out of the spot light, have a more relaxed pace

I would be comfortable with either or a mix of both

Below are just some of the jobs and skills that we may need help with. Please CIRCLE ALL of those you would be interested in helping with:

Help come up with and organize a fund raising events both big and small	Shuttle animals to different states. We have both long multiple day trips and short one day trips	Work in the Thrift Store as pricer, sorter, cashier, organizer, cleaner, etc..
Pick up local donations of clothes, furniture, and household goods	Become a Foster Parent, and take animals into your home until forever home is found	Write Press Releases: Update the public and our community about our continuous accomplishments
Help with our News Letter, submit articles, follow up on successful adoptions and write a story	Help with communication within our group making sure everyone knows when meetings/events are	Help with Community Awareness and Education
Lead a Project for Implementation	Organize the volunteers and help with incoming new volunteers	Research, Post, and Ship on e-bay
Go out to community and educate them about our services	Write a Grant / Help with writing a Grant	Create electronic flyers and poster board displays
Assist President with Special Projects & Ideas for implementation	Contact community organizations and businesses and ask for their support or donations	Build and repair things. Examples may be install outside dog fence or build something we need.
