

Logan's Run Rescue (LRR) is an all-volunteer organization committed to ending pet overpopulation in our area and educating pet owners about the proper care of their animals to eliminate animal cruelty. The organization believes that education of the younger generations is key in realizing the mission of saving lives of animals.

This scholarship was created to assist students who share our vision as they begin their post high school studies. Applications will be accepted from any senior attending an area high school in Cherokee and/or surrounding counties (as decided by the Education and Scholarship Committee under direction of the LRR Board of Directors). The scholarships will be non-renewable and will be in the amount of \$500.00. The scholarship funds will be paid directly to the school the honoree chooses to attend. Priority will be given to applicants that show financial need and the willingness and interest in the mission of Logan's Run Rescue.

Scholarship applications must be completed by April 1, 2015. All applications will be gathered from school counselors by members of the Scholarship Committee by April 7, 2015. All applications will be considered and scored by the Scholarship Committee, which is made up of highly qualified former educators.
