Logan's Run Rescue Thrift Store's profits support LRR's Low Cost Spay/Neuter programs and funds humane care, rescue and transport of abandoned animals — thanks to an all-volunteer staff.

Our thrift store carries quality, gently-used clothing. Our kitchen selection includes china, crystal, dish-ware, glassware, and pots/pans. We also offer a wide variety of gift items such as jewelry, artwork, accessories, home décor, CD's/DVD's, books and much more.

How many times have you heard that participating in small ways yields big results? We always need your help restocking our thrift store.

Please Donate & Shop! It's a great way to contribute and participate in ending animal suffering and overpopulation!!

All donations are tax-deductible!!!

# Logan's Run Rescue

Logan's Run Rescue is a 501(c)3, non-profit rescue located in Murphy, NC in Western North Carolina, serving Cherokee County and surrounding counties in NC, GA & TN. The Rescue was formed in March, 2009 and is comprised of members who have worked successfully in Shelters, Rescues & Establishing Spay-Neuter Programs. LRR launched their first Spay-Neuter Program in January, 2010.

The "call" of Logan's Run Rescue is to give humane care and rescue to abandoned animals, to promote spay and neutering of pets, reduce over-population while adopting a commitment to change the community's awareness, and educate the public in improving the welfare of companion pets.

Logan's Run Rescue will not endorse nor support euthanizing healthy animals that have reasonable temperaments, including those who are elderly. This rescue will attempt to treat those that are sick and work to improve the temperament of those who are ill-tempered due to past treatment or a lack of socialization.

Logan's Run Rescue members are committed to ending over-population in 3 to 5 years in our communities!

# Our Community Outreach Programs

**Note:** In the States of NC & GA, Veterinarians are required to vaccinate for rabies unless a valid rabies certificate is presented at time of surgery.

## **LOCO - Low Cost Spay-Neuter Program**

The *LOCO Program* provides spay and neuter prices to the general public at the same low cost our organization pays for rescued, abandoned animals.

## **LOCO S--Subsidy Spay-Neuter Program**

LRR understands that during hard economic times, some people may need help with the LOCO Prices. LRR's Members established a LOCO-Subsidized Spay-Neuter Program to help lower these costs. This program provides a subsidy to lower the LOCO cost of a Cat or Dog spay/neuter.

## **SNAP – S/N ASSISTANCE PROGRAM**

### **(Funds Dependent upon Grant Balances)**

LRR is grateful to be the recipient of two companion animal spay-neuter grants. These grants are to be used in our public outreach program to provide spay/neuter assistance for companion dogs belonging to individuals who require financial assistance.

One grant targets large dogs, 40 lbs and over. The other grant targets small dogs and puppies, 39 lbs and under.

Each applicant is asked to make a donation towards the cost of the surgery. However, a donation **WILL NOT** be required to participate in this program.

## **PEPOP - Puppies Ending Pet Over-Population**

*PEPOP* – it's a funny word but it helps control a serious problem -pet over-population. Un-spayed and un-neutered dogs are producing litters of puppies. This is the main reason we have pet over population in our area. LRR has developed a program that can have a great impact on this problem – PEPOP.

Dog Owners who have a litter of puppies can give the litter to LRR, where they will be fixed and adopted into wonderful homes that can afford to care for them.

Dog Owners who wish to take advantage of the PEPOP Program must agree to allow LRR to spay neuter ALL of the reproducing male and female dogs in the household - FREE OF CHARGE. PEPOP is a win-win program for the owners, the family pets and the puppies. This program decreases "accidental" litters, finds homes for the puppies and reduces the population of unwanted animals.

## **ID TAG PROGRAM**

Our Tag Program provides up to 3 free, metal, bone-shaped dog tags per family for families living in North Georgia and SW North Carolina. The program is limited by the amount of money donated to Logan's Run for this purpose. People wanting tags need to drop by the Logan's Run Rescue Thrift Store in Murphy and provide the information for the tags, which will be mailed to you. Tags will include up to two phone numbers and an address so owners can be notified in case their animal becomes lost.

For more info, prices and spay-neuter application, please call 828-837-4944.

Leave your name and phone numbers. A Volunteer will return your call within 72 hours.
